

TRAINING OPPORTUNITIES

BE THE FUTURE OF GREEN INFRASTRUCTURE

Become an NGICP approved trainer

The Water Environment Federation invites you to become an approved trainer in the National Green Infrastructure Certification program (NGICP). This workshop, is being held in conjunction with the Operation and Maintenance of Stormwater Control Measures conference in Minneapolis, MN during August 3-5, 2019.

Help meet the certification training needs of NGICP partners, or develop your own licensed, training program.

Cost

The cost of this training is \$1,500* (including course material and training curriculum).

Dates

Saturday, August 3, 8 am - 5 pm CDT

Sunday, August 4, 8 am - 5 pm CDT

Monday, August 5, 8 am - Noon CDT

Training Location

Hyatt Regency Minneapolis
(Lake Nokomis Room, 4th floor)
1300 Nicollet Mall
Minneapolis, MN 55403

Application Deadline

July 22, 2019

**Trainers may only hold NGICP trainings under a valid NGICP license. Trainers who do not wish to purchase a license, may only train for an organization that has a valid NGICP license.*

QUALIFICATIONS TO APPLY FOR TRAINING

All participants applying to become an NGICP approved trainer must possess two of the following three qualifications:

- Direct experience in stormwater green infrastructure (GI) construction, inspection, or maintenance
- Experience as a trainer for hands-on, adult learning courses
- Minimum of a bachelor of science degree in water resource management or environmental science

SUPPORT CERTIFICATIONS AS AN NGICP-APPROVED TRAINER

- National certification creates a long-term pathway for living wage jobs across the United States.
- National certification promotes GI as an environmental and economical strategy for stormwater management.
- National certification supports the development of a proficient green workforce.
